You hereby grant your express consent to the Controller to share your Data with such entities affiliated with the Controller and to disclose your Data to such entities where and when required to perform this Privacy Policy and other documents between you and the Controller or meet the legitimate interests of the Controller.

SURVEYS

The Controller may, from time to time, conduct Website surveys with voluntary participation required to improve and enhance your user experience with the Website, with its functionality and services. You hereby grant your express consent to receive offers of participating in such surveys. If and to the extent you participate in such surveys, you hereby grant the Controller your express consent to processing of your Data that you may be required to submit when completing such surveys.

You have the right to refuse to receive information and advertising notifications and materials, to participate in surveys by sending an appropriate notification to your e-mail info@edheroes.network or referring to a special link texted as "unsubscribe" or any other similar link in any such notifications and materials or by any other actions explicitly stated in the text of notifications and materials. You hereby acknowledge that the refusal to receive informational and advertising notifications and materials, to participate in surveys in the ways indicated above shall not be and shall not amount to a request to erasure of Data or withdrawal of consent to the Data processing. To exercise your right to erasure of Data or to withdraw consent to the processing of Data, please refer to Section "**Your Privacy Rights and Choices**" herein below.

DATA SECURITY

The Controller and Controller's designated contractor performing Data processing (when and if applicable) use commercially reasonable technical, organizational and administrative measures to ensure protection and security of your Data. The Website and the servers hosting the Website, as well as servers of the Controller's designated contractor performing Data processing (when and if applicable) utilize certain electronic security measures designed to protect against the loss, misuse, and alteration of the information under Controller's and/or Controller's designated contractor's performing Personal Data processing (when and if applicable) control, including Data, which measures fully correspond to requirements set forth under applicable law and best practices.

As an example, all Data after its collection is by design irrevocably hashed for the purposes of prevention of its potential decryption in the case of a hacker attack. However, you acknowledge and agree that no electronic data transmission or storage of information can be guaranteed to be fully secure, and while the Controller and Controller's designated contractor performing Data processing (when and if applicable) perform and will continue to perform the discussed measures to ensure protection and security of Website-related network and systems and safety of your Data, the Controller and Controller's designated contractor performing Data processing (when and if applicable) cannot and do not guarantee that security measures implemented in the Website will prevent third-party hackers or other malefactors from illegally obtaining information about you, including your Data.

The Controller does not guarantee that loss, misuse, unauthorized acquisition, or alteration of your data will not occur. By accepting this Privacy Policy, You recognize your vital role in protecting your Data. You acknowledge that it is important to choose a password of sufficient length and complexity for the e-mail service that you use to send consents and requests to the Controller. You further acknowledge to not reveal this password to any third-parties or any other credentials that are used by you to communicate with the Controller, and to immediately notify the Controller if you become aware of any security breach of or unauthorized access to or unlawful use of your Data.

Furthermore, the Controller cannot ensure or warrant the security or confidentiality of information you transmit to or receive from the Controller by Internet, fixed or wireless connection, including email, phone, or SMS, since the Controller has no way of protecting information once it leaves and until it reaches the Controller.

COOKIE POLICY

The technologies used in relation to the Website may include cookie files. A "cookie" is a small data file that can be sent to and placed on or in your computer's or mobile device's hard drive and/or memory, whichever is applicable, when you access and use the Website. The Controller may deploy cookie files to collect, store, and sometimes track information for statistical purposes to improve the Website and the functionality and services it offers, as well as to store user preferences, to record session information, to record user-specific information on what pages you access or visit, to record past activity in the Website to provide improved functionality when you return to the Website, to ensure that you are not repeatedly sent the same advertising or notifications, and to collect other information that you send or that may be required for maintenance, improvement and enhancement of the Website. The Controller may also deploy "web beacons" and similar technology to assist with delivery of the cookie to your computer or mobile device. You hereby expressly consent to the Controller placing the cookies on your computer's or other computing or mobile device's memory for the purposes set forth in this Section, including but not limited to Website maintenance and improvement, and accessing and using certain functionality and services of the Website. Every time you visit the Websites, you will be prompted to accept or refuse cookies through the Website's Cookie Consent Form.

Additional information about the use of cookies and similar technologies, in particular the types of cookies used, each cookie's purpose and retention period, provider are contained in the **Cookie Policy**.

LINKS TO THIRD-PARTY WEBSITES

The Website may contain hyperlinks to other websites or other Internet resources that are not maintained by, or related to, the Controller or its affiliates. It is your responsibility to review the privacy policies of those websites. This Privacy Policy applies only to the Website.

RETENTION OF PERSONAL DATA

Your Data is processed and stored by the Operator and/or its designated Data processing contractor (when and if applicable) for the total period required for fulfilling the purposes set forth in this Privacy Policy unless you will request the Data to be erased in accordance with this Section, that amounts to the withdrawal of your consent to Data processing.

The Controller is under no obligation to store your Data indefinitely and hereby disclaims any liability arising out of, or related to, destruction of such Data. The Controller will only retain your Data for as long as necessary to the initial purposes and for the purposes of satisfying any legal, accounting, or reporting obligations or to resolve disputes.

Information collected via technical means such as cookies, webpage counters and other analytics tools is kept for a period set in the Cookie Policy.

YOUR PRIVACY RIGHTS AND CHOICES

Under applicable law you may be able to enjoy certain rights related to your Data identified below. All your requests shall be responded within 1 (one) calendar month.

You are always entitled to request information about any of your Data that the Controller has stored, as well as their origin and recipients and the purpose it was collected, stored and processed for. Although, your information rights and access to Data are not absolute. Depending upon the applicable law, exercise of your rights under the applicable law may be denied or restricted: (a) when denial of access is required or authorized by law; (b) when granting access would have an adverse impact on another's privacy; (c) to protect Controller's rights and properties; (d) where the request is frivolous or vexatious, or for other reasons.

Access and portability. You may request that the Controller provide you a copy of your Data. This information will be provided without undue delay (subject to a potential fee associated with gathering of the information in case of manifestly unfounded or excessive requests), unless such provision adversely affects the rights and freedoms of others. In certain circumstances, You may request to receive your Data in a structured, commonly used and machine-readable format, and to have the Controller transfer your Data directly to another data controller.

Rectification of incomplete or inaccurate personal data. You may request the Controller to rectify or update any of your Data held by the Controller that is inaccurate or incomplete. You may do this at any time by submitting relevant request via email: info@edheroes.network.

Erasure. To erase the Data collected, you must submit request to erase your Data via email info@edheroes.network. After that, your Data will not be used by the Controller for any further purposes, nor shared with third parties, except as necessary to prevent fraud and assist law enforcement agencies, as required by law or for the establishment, exercise or defense of legal claims. Notwithstanding your request for erasure, You hereby acknowledge that the Controller will store your Data, including your request for deletion, to the extent necessary to comply with applicable mandatory data retention laws for the period of time established by applicable law.

Consent withdrawal. As an alternative to erasure, You may withdraw your consent at any time. Your withdrawal will not affect the lawfulness of processing based on consent before your withdrawal.

Restriction of processing. Applicable law entitles You to restrict or object to the Controller processing or transferring your Data under certain circumstances. Controller may continue to process your Data if it is necessary for the defense of legal claims, or for any other derogations permitted by applicable law.

The right to lodge a complaint to the data protection authority. The contacts of the data protection authority are provided below.

You can make protection rights requests relating to your Data by contacting the Controller email. When the Controller receives an individual rights request, it will take steps to verify your identity before complying with the request to protect your privacy and security.

OVERSEAS DATA TRANSFER; STORING DATA IN CERTAIN JURISDICTIONS

The processing and storage of your Data takes place in the Principality of Liechtenstein. However, in the context of the Controller's business activities and in line with the purposes of the data processing set out in this Privacy Policy, the Controller and/or its designated Data processing services provider may transfer your Data to third parties located outside of the Principality of Liechtenstein. These parties may be located in European Union and European Economic Area or located in any country for which the European Commission adequacy decision was taken.

In particular, You agree that your Data may be transmitted to a country without adequate protection of personal data, which may impose you to a risk of Data processing without protection measures provided by GDPR and Data Protection Act. In cases of cross-border transfer of your Data outside of the EEA, the Controller will take all appropriate safeguards including legally binding contracts with all recipients of personal data to ensure the protection of your Data and enforcement of your rights.

In addition to the above you acknowledge that, if the laws of your jurisdiction establish the requirement for storing personal data of its citizens within the territory of that jurisdiction, the Controller must conform to that requirement and will store your personal data on servers located within the territory of that jurisdiction.

CHANGE OF OWNERSHIP

The disclosure to, and use by, a subsequent owner or operator of the Website, of any information about you, including your Data provided to the Controller in accordance with this Privacy Policy, in case the Controller assigns its rights and obligations regarding such information in connection with a merger, acquisition, or sale of all or some of the Controller's assets, or in connection with a merger, acquisition or sale of all or some assets related to the Website, to a subsequent owner or operator are within the legitimate interest of the Controller. In the event of such a merger, acquisition, or sale, your continued use of the Website signifies your agreement to be legally bound by the privacy policy of the Website subsequent owner or operator, which policy may differ from this Privacy Policy. This provision shall remain in full force and effect notwithstanding any termination of your use of the Website.

CHANGES TO PRIVACY POLICY

To the fullest extent permitted under applicable law, the Controller reserves the right to modify, update, supplement, revise or otherwise change this Privacy Policy in order to comply with applicable new legislation and/or regulations and/or to improve the Website, and to impose new or additional rules, policies, terms or conditions in relation to the Website, collection, processing and storing Data from time to time with or without notice to you. In addition, there may appear from time to time new, unanticipated uses of information collected through the Website that were not previously governed by this Privacy Policy. The Controller may notify you of the amendments to this Privacy Policy by sending an email message to the email address provided and/or by posting the notice on the Website. All amendments to this Privacy Policy will be effective immediately and incorporated into the Privacy Policy upon sending and/or posting of such notice. You are responsible for regularly reviewing this Privacy Policy. Your use of the Website or any part thereof after any changes to this Privacy Policy are posted on the Website or otherwise made available for review will be considered your acceptance of those changes and will constitute your agreement to be legally bound thereby. If you object to any such changes, your sole recourse to deny further processing of your Data will be to request immediate erasure of your Data via the e-mail address of the Operator.

CONTACTS

If you have any comments or questions about this Privacy Policy or data protection, or if you wish to access, request data portability, correct, block or delete your Data, or if you would like, at any time, to revoke your granted consents regarding the use of your Data, please contact the Controller using the following contact details:
